Repairs, inspections and manufacturing services

One Team, One Vision

HIDRAMAR GROUP HOLDING COMPANY

Hidramar Group is a Spanish holding Company controlling two shipyards in Canary Islands, Spain. Was founded in 1989 by a family originally from the Canary Islands. Both shipyards are located in a Free-Trade Zone. With a strategic position in the middle of the Atlantic Ocean, where maritime routes from three continents are connected (Europe, Africa, and America).

Hidramar group actively supports all the major Oil & Gas drilling contractors and their OEMs, we are proud of our hands-on Shipyard general services and the technical expertise, we offer 24/7 round the clock to all our customers safely. We have acquired strong MODUs upgrade & repair knowledge including SPS projects through integrated planning with clients, OEMs.

Our ONE TEAM, ONE VISION strategy helped us in the safe execution of projects in Tenerife and Gran Canaria with local workforce.

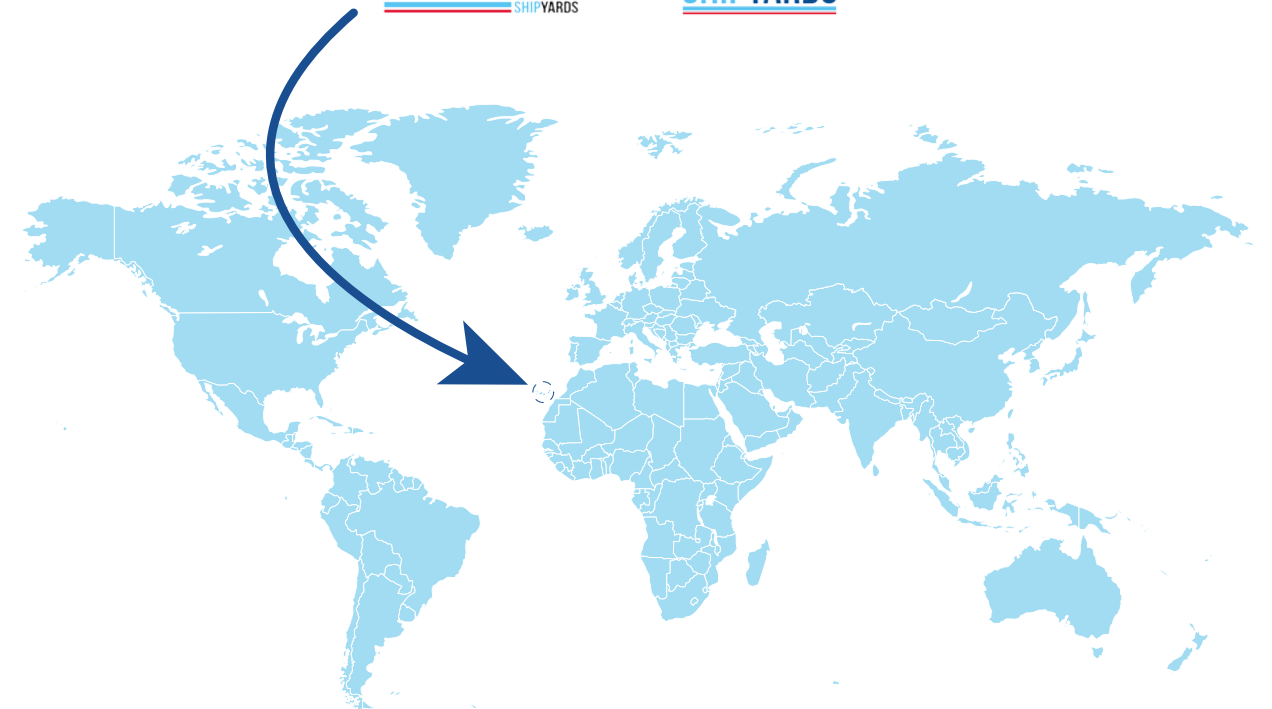

VISION & MISSION

Our vision

To become a preferred shipyard partner in Canary Islands, Atlantic Ocean for the Global Oil & Gas and Marine industry.

Our mission

To provide cost effective and efficient offshore Project management, marine engineering and quality shipyard general services to our valued clients globally through our highly skilled internal staff.

QUALITY, HEALTH, SAFETY, ENVIRONMENT AND SUSTAINABILITY

Hidramar Group operates a comprehensive integrated quality and HSE management system. We are constantly seeking to improve and to ensure that our organizational structure keeps up with other leading international companies standards.

Our quality Management System is based on ISO 9001:2015, our Health and Safety Management System is based on OHSAS 18001:2007 and our Environmental Management System is based on ISO 14001:2015, all certified by Lloyd’s Register.

As our people is the heart of our business,
our commitment goes further.

Diversity, gender equity and social Inclusion

It is not just an aim, but a global business policy. It is about our Group welcoming the talents and ideas of people with different backgrounds, experiences, and attitudes to encourage our continued success in providing clients with the high-quality service they deserve.

Global Responsibility & Sustainability

Our team consciously works together to protect the environment and have a positive impact on the communities where we live and work. We have internship programs that allow us to collaborate with local and international universities, improving opportunities to young people.

Hidramar Group Green

We continuously work to recognize and promote more sustainable alternatives through operational efficiencies, all in an effort to manage and reduce Shipyards effect on the environment.
